

# Ashley Portendorfer

UXQB® Certified Professional for  
Usability and User Experience (CPUX) in

## Designing Solutions (CPUX-DS)

Ashley Portendorfer passed the Certified Professional for Usability and User Experience in Designing Solutions (CPUX-DS) theory and practical exams on 02 Feb 2022.

This certificate confirms that Ashley Portendorfer has demonstrated both an understanding and the practical application of designing solutions that are usable and produce a positive user experience.

Ashley Portendorfer scored at least 80% so is eligible to train others preparing for the CPUX-DS exam with a UXQB Recognised Training Provider.

A handwritten signature in black ink, appearing to read "Ashley Portendorfer".
