

Ashley Portendorfer

UXQB® Certified Professional for
Usability and User Experience (CPUX) in

Foundation in Human-centred Design (CPUX-F)

Ashley Portendorfer passed the Certified Professional for Usability and User Experience in Foundation in Human-centred Design (CPUX-F) exam on 02 Feb 2022.

This certificate confirms that Ashley Portendorfer has demonstrated a fundamental understanding of usability, user experience and human-centred design.

Ashley Portendorfer scored at least 80% so is eligible to train others preparing for the CPUX-F exam with a UXQB Recognised Training Provider.
