

Ashley Portendorfer

UXQB® Certified Professional for
Usability and User Experience (CPUX) in

Essentials in UX and HCD Management (CPUX-M)

Ashley Portendorfer passed the Certified Professional for Usability and User Experience in Essentials in UX and HCD Management (CPUX-M) exam on 02 Feb 2022.

This certificate confirms that Ashley Portendorfer has demonstrated a fundamental understanding of the management of UX and human-centred design in organisations.

Ashley Portendorfer scored at least 80% so is eligible to train others preparing for the CPUX-M exam with a UXQB Recognised Training Provider.

A handwritten signature in black ink, appearing to read "Ashley Portendorfer".
